
Allotment-2023

Choices in Class XI

Science Stream

1. Science with Computers-English, Math, Physics, Chemistry , **Computer Science**
 2. Science with Engineering Graphics -English, Math, Physics, Chemistry , **Engineering Graphics**
 3. Science with Biology -English, Math, Physics, Chemistry , **Biology**
 4. Science with Psychology-English, **Psychology**, Physics, Chemistry , **Biology(Without Math)**
-
-

Choices in Class XI

Commerce Stream

1. Commerce with Math-English, Economics, Business Studies, Accounts, **Math**
 2. Commerce without Math-English, Economics, Business Studies, Accounts, **Informatics Practices**
-
-

Choices in Class XI

Humanities Stream

1. Humanities with Math-English, Economics, Psychology, History, **Mathematics**
 2. Humanities without Math-English, Economics, Psychology, History, **Political Science**
-
-

Choices in Class XI

IT Stream

Subjects

- English
 - Entrepreneurship
 - Information Technology
 - Web Application
 - Physical Education
-
-

Details about Basic Mathematics

- 1. Before pandemic: Students opting for basic Math**
Not allowed to take stream with Math
 - 2. During 2022: Exception was made by CBSE for Basic Math students :**
Allowed to take stream with Math

-
-

Process and Calculations

1. Streams/Sections will be allocated strictly on availability of seats in each section of class 11.
2. Students will be asked to give three choices in ordered of their preferences .
3. Choices will be collected using google form.
4. Tentative time of floating form: **End of January-2023**
5. Following Class X examination marks will be considered
 - a. Periodic Assessment 1(PA1)
 - b. Periodic Assessment 2(PA2)
 - c. Preboard 1 (PB1)
 - d. Preboard 2 (PB2)
6. All the above marks will be converted to 100
7. Following formula is to be applied for each of subject marks to get an aggregate value
10% of PA1 + 30% of PA2 + 30% of PB1 + 30% of PB2

Stream and Subjects Considered for allotment

Stream/Choice	Subject1	Subject2	Subject3
A (Commerce with Math)	Mathematics		
B (Commerce without Math)	Mathematics		
C (Science with Computer Sci) D (Science with ED) E (Science with Bio & Math) F (Science with Psy)	Mathematics	Science	
G (Hum. Without Math)	English	Social Science	
H (Hum with Math)	English	Social Science	Mathematics
I (IT)	Computer Applications		

Stream and Expected Criteria

Choice/Stream	Subject1	Subject2	Subject3
A(Commerce with Math)	Mathematics \geq 75		
B(Commerce without Math)	Mathematics \geq 55		
C(Science with Computer Sci) D(Science with ED) E(Science with Bio & Math) F(Science with Psy)	Mathematics \geq 75 Mathematics \geq 70	Science \geq 75	
G(Hum. Without Math)	English \geq 70	Social Science \geq 70	
H(Hum with Math)	English \geq 70	Social Science \geq 70	Mathematics \geq 75
I(IT)	Computer Applications		

Sample Calculations –Student A

Subject	PA 1(20)	PA 1(All)	PA 2(100)	PA 2(All)	PB 1(80)	PB 1(All)	PB 2(80)	PB2(All)	Score for Allocation
Math	18	9	78	23.4	67	25.1	56	21	78.5
Science	10	5	70	21	60	22.5	50	18.7	67.2
Social	15	7.5	80	24	55	20.6	53	19.8	71.9
English	17	8.5	60	18	60	22.5	58	21.7	70.7

***All: Score used for allocation**

10% of PA1

30% of PA2

30% of PB1

30% of PB2

Important points

1. The criteria is informed well in advance
 - a. Please be sure before filling choices
 - b. There will not be any change after submission of form
2. The allotment is strictly based on
 - a. Merit
 - b. Availability of seats
3. The basis for allotment will be the following exams:
 - a. Periodic Assessment 1(PA1)
 - b. Periodic Assessment 2(PA2)
 - c. Preboard 1
 - d. Preboard 2

No changes in stream will be done on the basis of Board result

The information shared is :

- 1. Subject to normal onsite working of school.**
- 2. Conduct of regular onsite examination.**

If due to unforeseen circumstances there is a deviation of plan from CBSE on account of an outbreak of Pandemic, you will be informed of the change in the stream selection criteria.
