Dear Parent (Class 10 students),

With reference to our earlier notices dated 18<sup>th</sup> November 2025 and 10<sup>th</sup> December 2025, we would like to remind you that the school will be conducting Improvement Examinations in January 2026. These exams are being organised to give students an additional opportunity to improve their performance.

As shared earlier, the better score obtained between the December 2025 and January 2026 examinations will be considered for the Annual Report Card as well as for stream allocation in Class XI. The January 2026 examinations are optional and will serve as re-tests, improvement, and practice exams for students who wish to gain more confidence and strengthen their understanding.

Students who wish to opt for these exams are kindly requested to complete the Google Form by 19<sup>th</sup> December 2025 so that we can make necessary arrangements. Please click on the link below:
