26<sup>th</sup> January 2023

Dear Parents,

Wishing all a very Happy Republic Day.

Kindly make a note of the following concerning some important dates and information:

1. The Result Day for academic year 2022-23 will be **18<sup>th</sup> March 2023**. Timings will be informed later.
2. **Academic Year 2023-24 will begin on 27<sup>th</sup> March 2023.**
3. **The Fees for the new academic year will be collected ONLINE FROM 1<sup>ST</sup> APRIL 2023 on a quarterly basis.**
4. Money will NOT be collected for the school diary and worksheets. This amount is now incorporated in the fees for the year. However, getting a new diary, if the one given at the start of the year is lost, would involve a charge.
5. The book list for 2023-24 will be available on the e-Care App & Website as a notice in due course of time. Class wise dates and timings will be given for purchasing books on the campus. Even though the school makes this arrangement for a vendor on the campus, parents are free to purchase books from any vendor of their choice.
6. The uniform description is available on the School Website. Class wise dates and timings will be given for purchasing uniforms on the campus. Even though the school makes this arrangement for a vendor on the campus, parents are free to purchase uniforms from any vendor of their choice.
7. There will be no e-Dairy on Google Classroom. All the details pertaining to school will be readily available on the e-Care App/Panel and Website. Google Classroom will continue to be used for the teaching-learning process.
8. Leave for a maximum of 3 days can be applied for through the e-Care App. More than 3 days requires a written application along with relevant documents attached. Absence from an examination requires applying for leave in writing with relevant documents. If not received, it will automatically be considered as absent.
9. The eCare App has been setup for use by parents. It is not a communication medium for students. It has been observed that a few students have been using it to send messages that are not appropriate.
10. Students are NOT permitted to bring mobile phones to the campus since they are being misused and unfortunately, the school is not getting the necessary support from the parents in controlling this misuse.

Thank you,

Yours sincerely,

Br. Robert Fernandes
