## MIDDLE SCHOOL TRIP TO TEHRI

Middle school students embarked on a three-day adventure trip to Tehri from March 1st to 4th, 2024. Activities included trekking, Zip-lining, and Tree jumaring, fostering skills like leadership and teamwork. A visit to the Indian Military Academy (IMA) and museums at the Forest Research Institute (FRI) enriched their learning. Overall, the trip provided valuable experiences amidst nature's tranquility.

## SENIOR SCHOOL TRIP TO SHOGHI, SHIMLA

The trip to Shoghi from March 1st to 5th, 2024, offered valuable learning experiences. Outdoor activities like hiking and team-building games fostered independence and resilience.

A tree plantation drive raised environmental awareness, while interacting with local students promoted empathy and diversity appreciation. Overall, it was a memorable learning journey for all.

# Kindergarten Annual Show

**St. Columba's Kindergarten's "Winter Wonderland" Annual Show on February 12, 2024, showcased delightful performances by the children, guided by their teachers. Principal, Brother Robert and Headmistress, Ritu Kaushal praised the young talents, while parents support ensured the success of the event. It was a memorable celebration of childhood and community spirit.**

## KG Art Exhibition - Little efforts to save life on land and in water

**The little boys of kindergarten came together to raise their voices to protect and care for life on land and in water through creative art expression during the Annual KG Art Exhibition. The enthusiastic Columbans not only exhibited their artistic skills but also spread awareness regarding SDGs 14 and 15.**

# Trash to Treasure Activity

Class 1 students showcased their creativity by crafting paper bags, pen stands, beautiful craft items and photo frames from waste material, during the 'Trash to Treasure Activity' emphasizing how we can reduce, reuse, and recycle items of daily use. Through this activity the students not only learnt about environmental consciousness but also ways of waste management thereby doing their bit in promoting sustainability.

## EDUCATIONAL TRIP CLASS 10

Class 10 students went on an educational trip on December 22, 2023. They visited Nehru Park for outdoor activities and had lunch, followed by a tour of The Rashtrapati Bhawan Museum in New Delhi. The museum showcased artifacts and exhibits related to Indian Presidents, offering insights into the country's history. Overall, the trip provided experiential learning, connecting classroom knowledge with real-life experiences.

## Debate Class 3

An insightful debate took place during the Elocution periods for Class 3. The topic of discussion was the significant issue of food wastage and its direct correlation to climate change. The students highlighted in their own simple words the detrimental impact of food wastage on our environment. The boys also delivered a strong message about the importance of saving food, and aiming for SDG 2- Zero Hunger.

## Kindness to Animals Activity

The students of Class 3 engaged in a captivating activity centered on animal care, fostering compassion towards our furry friends during their Hindi period. Through interactive discussions and presentations in Hindi, they adorned beautifully crafted face masks, as they spread awareness and appreciation for animal welfare. This activity not only enriched their linguistic skills, but also nurtured a profound sense of empathy towards animals.
