### 11. In the Heart of a Seed

In the heart of a seed,  
Buried deep, so deep,  
A dear little plant Lay  
fast asleep.  
"Wake," said the sunshine,  
"And creep to the light."  
"Wake," said the voice  
Of raindrops bright.  
The little plant heard, and  
rose to see,  
Just how wonderful  
outside world might be.

If I were a bird

And fly around, the  
whole day long. And  
when the night would  
come, I would go to  
rest  
Up in my cozy little nest.

### 8. We Shall Overcome, lyrics

We Shall Overcome, we shall overcome  
We shall overcome someday.

Oh, deep in my heart,

I do believe,

We shall overcome someday.

We are not afraid, we are not afraid, We  
are not afraid today.

Oh, deep in my heart,

I do believe,

We shall overcome someday.

We are not alone, we are not alone We are  
not alone today

Oh, deep in my heart,

I do believe,

We are not alone today.

We'll walk hand in hand, we'll walk hand in  
hand, We'll walk hand in hand someday.

Oh, deep in my heart,

I do believe,

We shall overcome someday.

I'd thank you, Lord, by raising my  
trunk.

And if I were a kangaroo,  
You know I'd hop right up to you.

If I were an octopus,

I'd thank you, God, for my good looks.

But I just thank you, Father, for  
making me, me!

### 16. Christmas Carols

#### **Rudolf the rednosed reindeer**

Rudolf the rednosed reindeer

Had a very shiny nose

And if you ever saw him

You would even say it glows

All of the other reindeers

Used to laugh and call him

names

They never let poor rudolph

Join in any reindeer games

Then one foggy Christmas

eve

Santa came to say

Rudolf with your nose so bright

Terry triangle, Terry triangle, look at me, look at me,  
Count my sides, count my sides, there are three, there are three.

Robby rectangle, Robby rectangle  
Look at me, look at me  
Count my sides, count my sides  
There are four,  
Two are long, two are short,  
Two are long, two are short.

Cindy circle, cindy circle  
Look at me, Look at me  
I have no sides, I have no sides  
I am round, round and round

Sammy square, Sammy square,  
Look at me, look at me  
Count my sides, count my sides  
There are four, there are four

Hi, Ho, the dairy-o,

The farmer plants the seeds.

The sun comes out to shine  
[Make a large circle with arms.]

The sun comes out to shine

Won't you guide my sleigh  
tonight  
Then all the other reindeers  
loved him  
And they shouted out glee  
Rudolf the red - nosed

You go down in history

#### **Jingle Bells Jingle bells**

Dashing through the snow  
In a one-horse open sleigh  
O'er the fields we go  
Laughing all the way  
Bells on bobtails ring  
Making spirits bright  
What fun it is to ride and sing  
A sleighing song tonight, oh!  
Jingle bells, jingle bells  
Jingle all the way  
Oh what fun it is to ride  
In a one-horse open sleigh,  
hey! Jingle bells, jingle bells  
Jingle all the way  
Oh what fun it is to ride  
Green light, green light
